To the Class of 1985

As I think back to all the things we did as a class, for better or worse, whether it was sane or outrageous, important or just plain fun, I have only one thing to say — *we were the best*. Never before has Belmont High seen such a diverse yet unified class. A class where all could attend a function and be satisfied that they were members of a distinct group — the Class of 1985. We did a lot in our years at Belmont High, and I find it only appropriate to recall some of the good times.

Our Senior Halloween Party brought out creatures of the likes which we had never seen. We were visited by the Crest Team, the Rat Patrol, Billy Idol, ZZ Top, Clark Kent alias Superman, Maxwell Klinger, the Baseball Furies, Indians, Pirates, former Presidents . . . and Randy Sabatino?

Our Senior Class Play, "Get Smart", got rave reviews as Jeff Rosenthal and the cast were asked to perform on Broadway (though the offer was turned down due to a salary dispute). Who could forget L.N.'s post-party (did anyone leave?)

Local Haunts included Flippa's B&G, Tony's, Hav's, Terry's, Rosie's, and Winnie's cellar, not to mention a few unnamed vacant lots. Our ski weekends were . . . well . . . unique, as we blended just the right amount of skiing with a little bit of "fun".

The proms, semi-formals, dances, raffles, trips, and car washes were also successful and full of good times. But these events would not have been possible if it weren't for every member of the class.

So now as I walk for a last time down our senior corridor, my mind wanders to times past, yet not forgotten. I know the memories will never fade, but stay with me. As we go our separate ways, I wish all of you the best of luck, and hope that you will always keep the memories of your years at Belmont High close to your heart.

Thank you and Best Wishes.

Jim Murphy

CLASS ADVISOR

CLASS OF 1985,

"If you follow a path that interests you, not to the exclusion of love, sensitivity, and cooperation with others, but with the strength of conviction that you can move others by your own efforts, and do not make success or failure the criteria by which you live, the chances are you'll be a person worthy of your own respect."

N. Simon

Thanks for the memories of the past few years! Special thanks to Jim Murphy, Chris Sullivan, Liz Serino, Dave Hurley, and Tom Kenney.

Good Luck!

Love

Anne Mullany

P.S. Thank you: S.S., J.P., K.M., L.C., M.S., T.C., K.R., J.M., T.B.,

Belmontian Club

The Belmontian Club started the year with our favorite annual event "the pit clean-up". Throughout the fall the club served our community by helping the PTA, sponsoring our fall Blood Mobile and giving a Halloween Party at the Fernald School. This year three new activities were incorporated in our schedule. Belmont celebrated its 125th birthday on October 13, 1984. Our club helped the Jubilee Committee organize the parade and dance. The elderly of Belmont are also new on our list for services. Since America has opened its eyes to the problems in Ethiopia, the Belmontian Club ran an Oxfam Day within Belmont High. We raised over \$1500 which was sent in WBZ's plane, The Spirit of America, to Ethiopia. This year has been busy but fun for us. The officers would like to thank all the members for their interest and participation and "gook luck" to next year's officers.

The 1984 Belmont Marauders were a team not characteristic of their record. Somewhat deterred by nagging injuries all year they posted a 4-5-1 record, equalling the 1983 squad. They could very well have been a 7-3 team. Losing to powerhouse team such as Winchester and the eventual Super Bowl participant, Lexington, they saved their best for last. Led by senior tri-captain Robert Walker, Jamie MacIsaac and Randy Sabatino, the Marauders won their last three games. The season culminated in stunning 21-14 Thanksgiving Day victory over their arch-rival Watertown, a team that had a 6-3 season record. This feat had not been accomplished since 1979. To continue this winning tradition, the Marauders are leaving behind a strong nucleus for next year. Coach Apprille summed up the year nicely by saying, "Although their record didn't indicate it, I always knew these kids were winners." Well said, Tommy!

Field Hockey is a very complicated sport. It takes a lot of skill, concentration, devotion and practice, practice, practice. There are many rules to learn which make the game even harder. The game is not an easy one, it is competitive, and it runs at a rapid pace and takes much concentration.

The team itself has a disadvantage to almost all of the other sports in the high school, this is that the others have programs for their sports for youngsters to play and learn (ex: BAYS) but the field hockey team does not, they start from scratch at the high school level while others in other sports started at the age of about six or seven.

Our record doesn't show how much potential the team has or all the time and effort put in each day. We worked very hard throughout the season and I wish it could have shown in our record, but it is hard to adjust each year with always having a new coach when you adjust to the old one. Our team had its best season last year. We had a 500 season and it finally showed the talent and the skill that the team had.

We lost a lot of players from last year to this year except for 2 returning varsity players who were: Mary Lynn Cunningham and Susan Houllahan.

It's hard to start of the team with only 2 returning players but we managed and formed a new team for years to come. Hopefully next year and the one after that will be a very productive and successful one.

The girls Field Hockey team had a tough time this year with adjusting to two new coaches and a whole new team, but they managed to pull everything together and become one unified team.

There was a lot of time and effort put in by the team, but especially by Mary Lynn Cunningham, Susan Houllahan, and Jen Fairbanks.

This past season was a memorable one for the Boy's Soccer Team. In preseason they were picked to finish fifth in the Middlesex League, but because of great coaching and team efforts, they ended up 13-3-4, one game out of first place.

During the season they experienced many great moments that they will never forget. Among these was an away victory against arch-rival, Lexington, (1-0 win), for many the greatest victory of their careers. Also this team qualified for post season play for the third straight year, compiling a 1-1 record. Their final game, (a 1-0 loss to Middlesex rival, Wakefield), was a game they could have won, but even in defeat they showed the talent, spirit and class that made their season successful.

It is great to be able to look back on the season and see that it was successful and most of all it was a lot of fun. Coach Mahoney made sure of that.

The Girls Soccer team of 1984 has accomplished that high point which is pursued by girls soccer team in the state. They hold the coveted title of Massachusetts State Champions. The girls aimed for this goal from the beginning of the season, though it was a far away dream, and if it were not for the hard work, dedication and team play, they would have never attained it. The agility and skill of the team was superb but the real success was their togetherness, they played as one . . . as a team. And so it is, the girls soccer team's success will be remembered by many and certainly not forgotten by members.

This story is a memory.

One for a certain team.

The Girl's Swimming Team was truly awesome . . . again! With a dual meet record of 11-0, the group of talented and dedicated athletes trampled all of its competitors in both league and nonleague meets. The Girls, led by co-captains Julie Monahan and Janet Pomer, took the Middlesex League title for the second straight season by winning the League Championship Meet with a margin of more than 150 points. The climax of the season was at the state meet where the girls took first place in two relays and placed second overall — the best the girl's swimteam has ever done. The great success of the team was largely due to the superb coaching of Steve Pike, with the help of assistant coach Larry Countryman.

Girls Cross Country 7-1

Capt. Karen Flaherty (Kneeling), Devi Goetze, Amy Hanson, Leslie Barbagallo, Abigail Paulsen, Kara Caputo, Lyn Reagan, Carol Hickey, Erin Sheehan, Tracy Bruno.

The girls team posted an excellent 7-1 record, losing only to the perennial powerhouse, Wakefield. Captain Karen Flaherty will be the only member of the team to graduate, and her leadership will be missed. The team trounced several of the teams with a unique blend of talent and hard work.

Boys Cross Country 5-4

Bill Covell, Mike Brown, Jamie Fitzpatrick, Marcus Baram, Chris Murphy, Ed Bolen (Capt.), Erik Goetze, Mark Freedburg, Mike McDonald, Kneeling — Phil Balikian, Paul Cushing, Bobby Barette.

The boys cross country team turned a disappointing 0-9 record last year into a respectable 5-4 showing this year. Led by captain Ed Bolen, the only senior on the young team, while effort and dedication resulted in this turnaround. Impressive wins over strong teams from Burlington, Stoneham and Reading highlighted the season.

This past season we cheered for four varsity sports (football, soccer, basketball and hockey) as well as supported the other team Belmont High. With our hard work and dedication throughout the seasons we were invited to many competitions. In November we went into the Northeast Area Cheerleading Competition in Beverly and we placed 5th against well known squads Northern Massachusetts. As the year progressed, we learned new ideas and movements which later helped us take 1st place the Middlesex League Competition. We would like to thank our advisors, the parents, and the teams that supported and believed in us throughout the season. To the teams we want to say thanks for the memories and good luck in the future!

Advisors — Carolyn Bunyon, Debbie Markos

One of the highlights of the season was a two point win over powerhouse Lexington. Belmont fans will forever remember the two point overtime loss to Lexington. The Marauders finished an extremely successful season with 15-5 record and entered the State Tournament for the second consecutive year. The team was led by Seniors Ross Vona, David Murray, and Captains Neal Larsson, Doug Arbeely, and Lot Bates. For many years now Belmont has grown to rely on the Boy's swim team as a constant source of success in High School Athletics. This years team proved reliable once again. Although their success when measured in victories was not overwhelming, the team spirit and positive attitude was inspirational. Coach Steve Pike and assistant Coach Larry Countryman worked the spirited young team up to par. Seniors included Tom Winston, Rob Winters, Steve Aslainian, Jim Curtain and Capt. Dave Walsh. These skilled swimmers along with many very talented underclassman swam their way to an 8-2 duel meet season. They also managed to place second in the league's relay carnival and to finish third in the league championship. Looking Back it seemed to be a good season with both its highs and lows. For all involved it was a lot of fun!!!

The Girls' Gymnastics team finished off the season with a 4-4 win-loss record which surpassed all preseason expectations. Led by third-year coach Michele McCarthy and co-captains Liz and Andrea this years team included only seven returning letter winners and ten first-year members, many of whom proved to be valuable contributors. After suffering an initial defeat against Melrose, the team consistently improved with every meet and by the season's end had added over 14 points to their original team score, culminating with a score of 113.9 points in a narrow loss to Woburn, the league champions. Season highlights included victories over Stoneham, Reading, Lexington and Wakefield. In addition, the team's top gymnasts performed well in the league meet, and two gymnasts, Denise and Andrea went on to State competition. Despite a somewhat slow start, the team recovered rapidly and went on to enjoy a successful and fun season.
